100% MADE IN ITALY

SOGNO, PASSIONE, FOLLIA

ASTRATTE EMOZIONI CHE IN SUPER INOX
DIVENTANO TANGIBILI REALTÀ

Il **SOGNO** di dare un nuovo volto ad una azienda con un passato intensamente vissuto che la rendono unica.

La **PASSIONE**, immensa ed incontrollabile energia che ogni giorno ci permette di dare ai nostri rubinetti un'anima ed un'emozione sempre diversa.

La **FOLLIA**, la scintilla dal quale tutto inizia, ma anche prezioso e controllato componente che caratterizza le collezioni Super Inox capaci di essere inossidabili nel tempo anche nello stile.

DREAM, PASSION, UNCONVENTIONALITY

INTANGIBLE FEELINGS, THAT SUPER INOX
TRANSFORMS INTO CONCRETE REALITY

The **DREAM** of renewing a company, starting from the unique, intense experience of the past.

PASSION the immense, unstoppable energy that lets us give our taps the soul that will create a new emotion every day.

UNCONVENTIONALITY the spark that generates everything, but at the same time a precious and balanced feature, that makes the style of all Super Inox collections as durable as stainless steel.

DALLA MATERIA PRIMA ALLA CONFEZIONE

PROGETTATO PRODOTTO COLLAUDATO E
CONFEZIONATO ALL'INTERNO DEI NOSTRI STABILIMENTI

Tutti i cicli produttivi vengono eseguiti internamente, con il supporto di una tecnologia sempre aggiornata ed adeguata alla lavorazione dell'acciaio inossidabile 316L, questo ci permette di mantenere il controllo estetico e dimensionale di ogni singolo componente; il risultato è un rubinetto con elevata affidabilità ma anche inconfondibili tratti artigianali

FROM RAW MATERIALS TO PACKAGING

ALL OUR TAPS ARE DESIGNED, MANUFACTURED,
TESTED AND PACKAGED IN OUR PREMISES

All production cycles are carried out internally, with the aid of state-of-the-art technology suitable for the processing of 316L stainless steel.

This enables us to verify the appearance as well as every dimension of every single component. The result is a highly reliable tap that shows the unmistakable characteristics of craftsmanship.

LE COLLEZIONI

Tutte caratterizzate dalla materia, l'acciaio inossidabile che ne determina forme e profili mai esasperati nelle dimensioni, ma con una ricercata proporzione capace di trovare equilibrio tra comfort e bellezza.

THE COLLECTIONS

Stainless steel is the matter that determines designs and profiles. Never with extreme proportions, and always after elegant balance between comfort and beauty.
